NORTHWOOD TOWN PARADE AND MEETING PLACE 1774-1974

At the annual town meeting in March, 1774, the voters of Northwood instructed a committee of three men to "fit a place for to set a meeting house on.... this committee is to bye fore achers of land....". The committee agreed upon a site near the geographic center of the town, not far from the spot where the first town meeting had been held the year before, and made arrangements to pay five pounds, five shillings for a "convenient common for the use of a meeting-house, school-house and training field." The deed was dated January 27, 1775.

Several years passed before construction of a meeting house actually began, a delay at least partially caused by dissension between the Baptists (who already had a meeting place and had no desire to be forced to support another) and the Congregationalists who would, in the way of the times, build and control the church-town meetinghouse. The building was constructed on The Parade in 1781 and was used jointly by the church and the town until 1840 when the Congregationalists built their present structure. Seven years later the old meeting house burned and the town appropriated $500.00 to build a new 1600 square foot Town House on the location.

The 1847 Town House served the community as both meeting place and town office for one hundred twenty-four years, until March 1973 when increased attendance at annual meetings caused the selectmen to notify the public that year to meet at Coe-Brown Northwood Academy. The Town House continued to be used for local, state and national elections.

A year later, in March 1974, the majority of those voting at the annual meeting agreed the town had outgrown its office space as well as its meeting place, and appropriated $40,000.00 to build a 1728 square foot addition to the old building. Construction was completed in the fall and the new offices were officially opened at a dedication ceremony on November 3, 1974.

Until recent years the land the town owns at the center of town was commonly called The Parade, a name used because the militia met and practiced - paraded - there. Cleared of virgin growth in the 1790s, The Parade was kept mowed until the pines behind the buildings were set out in 1925. The original four acres have, through various transactions, been reduced to two acres. In addition to the Town House, The Parade is the site of other buildings. The Center School House, now the Legion Hall, was built early in the nineteenth century and was used for instructional purposes until 1906. The garage near the rear of the property was built in 1904 to house the town snow-roller. The shoe shop, moved from Nottingham in 1968, is owned by the local historical society. This shop represents the major industry of the town in the second half of the last century.

TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Northwood in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Coe-Brown Northwood Academy in said Northwood on Saturday the 8th day of March next at ten of the clock in the forenoon to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

2. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes and vote to raise and appropriate the sum of $1,000.00 for interest on same.

3. To see if the Town will vote to raise and appropriate the sum of $4,492.00 for the Northwood Public Libraries.

4. To see if the Town will vote to raise and appropriate the sum of $3,000.00 for Recreation, Parks and Playgrounds.

5. To see if the Town will vote to raise and appropriate the sum of $830.00 for the care of cemeteries.

6. To see what sum of money the Town will vote to raise and appropriate for Town Highways.

7. To see if the Town will vote to raise and appropriate the sum of $2,100.00 for the purpose of Street Lighting.

8. To see if the Town will vote to raise and appropriate the sum of $688.02 for the purpose of Town Road Aid, the State's share to be $4,586.82.

9. To see if the Town will vote to raise and appropriate the sum of $505.00 for the Concord Hospital.

10. To see if the Town will vote to raise and appropriate the sum of $3,000.00 for Ambulance Service, to be paid to the Center Barnstead Fire Department.

11. To see if the Town will vote to raise and appropriate the sum of $1,980.00 for the Town's per Capita Share of Rural District Health Council.

12. To see if the Town will vote to raise and appropriate the sum of $2,450.00 for the purpose of supporting the Northwood Community Action Program. (Submitted without recommendation of Budget Committee.)

13. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the purpose of increasing the Highway Equipment Capital Reserve Fund.

14. To see if the Town will vote to borrow the sum of $70,000.00 for the purchase of an incinerator to be used to burn rubbish at the dump, together with the erection of a 40' x 60' building, including the concrete necessary for the erection and placement of the incinerator and building. The sum of $70,000.00 to be repaid over a ten year period. The first payment to be in 1976.

15. To see if the Town will vote to raise and appropriate the sum of $6,100.00 for maintenance of the Town Dump and Incineration program.

16. To see if the Town will vote to raise and appropriate the sum of $81.00 as requested by the State Forestry Department for the support of the Pine Blister Rust Program.

17. To see if the Town will vote to purchase a vehicle to be used as a police cruiser at the cost of $5500.00, the Town to raise and appropriate the sum of $3,300.00, and the State to contribute the sum of $2,200.00 from their Crime Prevention Program.

18. To see if the Town will vote to raise and appropriate the sum of $1,900.00 for the Northwood Rescue Squad.

19. To see if the Town will vote to raise and appropriate the sum of $220.00 to replace the same amount expended from the Cancer Fund in 1974.

20. To see if the Town will vote to instruct the Selectmen to have the N. H. Revenue Department reappraise the property in the Town of Northwood, and to raise and appropriate the sum of $30,000.00 for this purpose.

21. To see if the Town will vote to raise and appropriate the sum of $1,000.00 to be used to pay the salary and expense of a Supervisor of the Summer Youth Work Program.

22. To see if the Town will vote to raise and appropriate the sum of $21,750.00 to complete the purchase of the Fire Truck as ordered by vote of March 9, 1974 Town Meeting.

23. To see if the Town will vote to raise and appropriate the sum of $300.00 to be used by a volunteer committee of the Northwood Historical Society in the cataloging and preservation of Town Records.

24. To see if the Town will vote to authorize the Selectmen to purchase from Annie Giles for the sum of $3,000.00 the remaining land owned by Annie Giles, bounded Easterly by the Northwood Post Office and Robert Seaver, Southerly by Route 4, and Northwesterly and Northerly by the Old Canterbury Road, and to raise and appropriate the sum of $1,000.00 in 1975, $1,000.00 in 1976, and $1,000.00 in 1977, together with interest on the unpaid balance.

25. To see if the Town will vote to provide Social Security Coverage for its employees.

26. To see if the Town will vote to increase the wages paid by the Town to a maximum of $3.00 per hour, except in cases of Foremen and Machine Operators, and then State rates shall apply.

27. To see if the Town will vote to allow the use of alcoholic beverages in the Town Hall at private parties when properly supervised.

28. To see if the Town will vote to raise and appropriate the sum of $1,000.00 to carry out the recommendations of the American Revolutionary Bicentennial Committee, as appointed by authorization of the March 1974 Town Meeting.

29. To see if the Town will vote to raise and appropriate the sum of $175.00 to heat and light the Community Hall at Northwood Narrows.

30. To see if the Town will vote to authorize the Selectmen to total all insurance now paid by the Town in one package and to ask for bids on the single package, the lowest bidder to be awarded the insurance of all Town risks.

31. To see if the Town will vote to rescind its vote of March 1974 whereby the Tax Collector fees were lowered to 3/4 of 1% of Property Taxes collected, and instead will vote to see if the Town will vote to change the compensation of the Tax Collector from the present rate to a new rate of 1% of the taxes collected. (Entered by petition of fourteen legal voters of the Town of Northwood.)

32. To see if the Town will vote to authorize the sale of cemetery grave sites in Pine Grove Cemetery at the following prices. Perpetual care to be mandatory.

	Lot	Perpetual Care
1 Lot (8 graves)	$100.00	$200.00
1/2 Lot (4 graves)	60.00	120.00
1/4 Lot (2 graves)	40.00	80.00
1/8 Lot (1 grave)	25.00	50.00

33. To see if the Town will vote to authorize the Selectmen to sell property of the Town acquired by Tax Collector's Deeds as a result of Tax Sale.

34. To transact any other business that legally may come before said meeting.

Given under our hands and seal, this 8th day of February, in the year of our Lord nineteen hundred and seventy-five.

REPORT OF TOWN AUDIT

Town of Northwood, N. H.

Fiscal Year Ending December 31, 1974

REVENUE SHARING FUND

Available Funds, January 1, 1974		$18,763.74
Add Revenue:		
Entitlement Payments	$12,161.00	
Interest	973.21	
		13,134.21
Total Available Funds		$31,897.95
Less Expenditures:		
Addition to Town Hall	$25,000.00	
Total Encumbrances		$25,000.00
Available Unobligated Funds - December 31, 1974		$ 6,897.95

We have examined the accounts and records of the Revenue Sharing Fund of the Town of Northwood, N.H. for the fiscal year ended December 31, 1974. In our opinion, the above Statement of Revenue, Appropriations, Encumbrances and Available Unobligated Funds presents fairly the revenue, expenditures and encumbrances incurred, and status of Revenue Sharing Funds of the Town of Northwood, N.H. for the year ended December 31, 1974.

LIBRARY REPORT

We wish to thank the following people who have contributed books and periodicals to the Northwood Libraries:

Dr. Walter Crandall, Mrs. Raymond Whittemore, Phyllis Crowther, Harriett Batchelder, Helen Quimby, Mr. and Mrs. Roland Thomas, Mr. and Mrs. Robert LaRoche, Mr. and Mrs. Charles Soderstrom, H. A. Sims - Bow Lake, Jean Johnson, Mr. and Mrs. John Q. White, Murray Small, Mt. Laurel Grange, Dr. and Mrs. Henry A. Schlang, The Allan Holmes Family, Mr. and Mrs. Charles Frary, The Paul Colby Family, Mrs. Marjorie Miller - Rye, Jennifer McDonald - Nottingham, Emily and Helen Foss, George Wilson, I. Young, Scott and James Bassett, The Masten Girls, Northwood Craftmen's Fair, Mina Trickey, Edward Wallace, Chester Doe, Rowena Richardson - Concord, Clint Jackson, The Bane Family, Melissa Reed, Harvey Lake Woman's Club, Mr. and Mrs. Richard Thompson and Sarah B. Rechard.

New shrubbery has been planted at the Chesley Memorial Library and a cement cover placed on the well.

A metal plaque has been attached to the bird display case at the James Bryant Memorial Library. New shelving has been added and a new pencil sharpener has been installed. Book drops have been purchased for both libraries for the convenience of the Townspeople.

CEMETERY TRUSTEES REPORT

The following work was accomplished during the year ending December 31, 1974:

1. Repaired the street facing wall of the Narrows Cemetery.

2. Provided top soil and filled, as far as was possible, the sunken graves in the several cemeteries.

3. Provided fill and grading to a portion of the Pine Grove Cemetery.

4. Provided mowing, trimming and general care to the several cemeteries as was possible with Town and Trust funds.

5. We made a concerted effort to clean up the smaller cemeteries which have meager Trust Fund support. This program involves mostly volunteer workers.

Comments of the Committee:

1. The committee wishes to express its appreciation to the ladies of the Harvey Lake Woman's Club who are helping to update the cemetery registers.

2. As inflation has struck everywhere, it has affected the ability of the cemetery committee to accomplish the assigned tasks with the monies available. We feel that we should comment on the need for our citizens to review their trust accounts which are caring for their lots. A $100.00 trust produces $5.00 to $6.00 per year in interest and simply is inadequate to support proper care. The committee respectfully suggests a trust fund in the amount of $300.00 to ensure reasonable care for the immediate future.

Respectfully submitted,

Donald E. Post
Thelma Eatough
Jane B. Morse

ANNUAL REPORT

RURAL DISTRICT HEALTH COUNCIL, INC.

January 1, 1974 -- December 31, 1974

The Rural District Health Council has experienced another year of growth and reorganization in 1974. The continued success of this program lies in the dedication of the agency personnel, and the capable professional staff assures the availability of quality care.

Skilled nursing service is still the major part of the program, and as more people become aware of the value of home care, demands for the service increase. These services are provided by Mrs. Barbara Drew, R.N. of Farmington, Mrs. Myrtle Walsh, R.N. of Milton and Mrs. Lucy Myers, R.N., B.S. of Deerfield. Mrs. Evelyn Therrien, R.N. of Barrington has also been working on a part-time basis. Mrs. Kathleen Hansen, RPT of Epping continues to provide physical therapy when ordered.

Mrs. Ardala Houle, R.N. of Rochester has been the Agency Coordinator and Clinic Supervisor. In this capacity she is the liason between the Rural District Health Council, area hospitals and other community health agencies. She is also the leader of the clinic team.

As a result of the increased interest and services in the Maternal and Child Health Program, Miss Arlene Thorne, R.N. of Strafford is now employed full time as the agency Maternal and Child Health nurse ensuring more continuity of care in this specialty. Mrs. Bernadette Cameron, R.N. of Deerfield, a new member of our staff, has been organizing prenatal and parenting discussions which are conducted at each clinic. The Rural District Health Council works in cooperation with the N.H. State Department of Public Health in offering Well Child clinics for children from 0-6 years. Again this year, through the cooperation of the N.H. Bureau of Dental Public Health, a dental clinic was held for the children from 3-6 years who are enrolled in the Well Child Program. The agency has also worked cooperatively with the school nurses in the member towns to assure that the immunizations of all students are updated. The Rural District Health Council is an active participant in the Maternal and Infant Care program of the Strafford County Prenatal and Family Planning Association. The agency also works closely with the Exeter Area Family Planning Association. As a result of these changes, a more comprehensive program is now being offered by the Council.

Early in the year, the Rural District Health Council was approached by the Senior Citizen group in Farmington requesting an ongoing screening for its members. As a result, two times each month, agency nurses are present at

the Senior Citizen Meeting Room in the Farmington Town Hall to check blood pressure, pulse, respiration, height, weight, urine and hemoglobin, and to do nutrition counseling. This has been greatly appreciated by the participating members. A similar program is being initiated in Northwood through the cooperation of the Northwood Plus 55 Club.

During October and November, successful Adult Screening clinics were held in Farmington and Northwood in cooperation with the Special Services of the Department of Public Health, local organizations, American Cancer Society, Portsmouth Rehabilitation Center, and Health professionals. These were open to any area person wishing to attend.

The office procedures of the Rural District Health Council are ably handled by Mrs. Norma Davis, Bookkeeper, and Mrs. Eleanor Eaton, Secretary, both of Farmington.

The Rural District Health Council is supported by the funds contributed by the member towns at an annual rate of $1.00 per capita, state grants and fees for service. Anyone interested in the program or needing service is asked to contact the office in Farmington, P.O. Box 563, 6 South Main Street, Telephone 755-2989.

Respectfully submitted,

Cynthia Blood, Executive Director

RURAL DISTRICT HEALTH COUNCIL

NORTHWOOD COMMUNITY ACTION PROGRAM REPORT

Our summer recreation program, which ran from June 24 through August 9, from 9 A.M. - 2 P.M. with an enrollment of 86 and an average daily attendance of 35, ended on a successful note with a fire tower hike and hot dog roast at Pawtuckaway State Park. A full day of hiking, swimming and eating was enjoyed by all.

Our first trip was to the Lakes Region and Gilford Playhouse and Ellacoya State Park. Both children and staff enjoyed a new and entertaining performance of Rumpelstiltskin and an afternoon of picnicking and swimming at Ellacoya State Park.

Our second trip was to the Polar Caves and Wellington State Park on Newfound Lake. We spent all morning climbing, crawling and slithering through the great granite caves. Our afternoon was spent relaxing, swimming and eating at Newfound Lake. As a staff we felt as successful at home as on the road.

Our sports program was small but every day saw enthusiastic participation. Softball, soccer and big league kickball were enjoyed by all. The boys were attracted to softball but they were not alone. Many girls participated and gave some guys a run for their money.

In the field of arts and crafts there was great participation by the children and some adult interest, too. Our macrame and string design activities had mothers learning also. Many pretty wall decorations were made in our macaroni and sand painting activities. Blow painting and full figure outline self-portraits were also made by the kids.

For two weeks in July our program joined forces with the Red Cross and a successful swimming program was held. Many children passed on to higher proficiency levels and all participated actively. Weekly swims at Bow Lake were also enjoyed by the children.

All this and more could not have been accomplished without the dedicated work of our excellent staff. Hired as directors and assistant directors were Carol and Bob Kelley, Linda Gayer and Sue Eldredge. Their skill, versatility and imagination showed in their activities and on the smiling faces of the children. These people were the core to a great program.

Assisting the staff this year were four Youth Corps. workers: Diane Allen, Brenda Brown, Bernie Tasker and John Allen. Their help was greatly appreciated.

An appreciative "Thank you" goes to Mrs. Grace Parsons whose ideas, patience and work driving the bus helped make the program a success.

We would also like to thank the many parents and townspeople who donated time and cars for transportation. Special thanks go to Mrs. Bassett, Shirley Tasker, David Behm for music, Mr. Whitaker for his old printing presses demonstration, and the Committee for their help, support and confidence. Lastly, but by no means the least, we thank the kids for being so good and making this a summer for us all to remember.

Respectfully submitted,

Carol and Bob Kelley

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire, then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A.M. and 5 P.M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid-August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

NORTHWOOD BICENTENNIAL REPORT

The Bicentennial Committee of the 1973 Celebration was less active this year, but we did hold several meetings and were very active in sales of our commemorative items, such as History Books, Cook Books, Plates, Tiles and Wooden Nickels.

The Committee established a Trust Fund in the amount of $5,000.00 in accordance with Article 28 in the 1974 Town Warrant.

The Committee voted to spend up to $1,000.00 of surplus funds for the purchase of desks, chairs, files, furniture and inside shutters for the offices of the New Town Hall addition.

We have History Books, Cook Books, Plates and Tiles still available for anyone who has not as yet obtained theirs.

The Committee extends their sincere thanks to everyone who helped in the continuing sales of our commemorative items this year.

Respectfully submitted,

George V. Linscott, Chairman
Northwood Bicentennial Committee

REPORT OF THE SOLID WASTE STUDY COMMITTEE

On July 1, 1975, the Town of Northwood is required, by law, to cease open burning at our dump site, and to conduct the disposal of solid waste materials in some acceptable fashion. The Solid Waste Committee has made a thorough study of the various systems which will meet the State regulations and laws, and found there are three possible solutions to our problem:

1. Haulage to another area
2. Sanitary land fill
3. Incineration

In analyzing these solutions, we have agreed on the following:

1. Haulage proved to be very costly and relatively unavailable
2. Sanitary land fill is unavailable, as the State of N. H. would not approve <u>any</u> site in our Town
3. Incineration is available, and this is what we investigated.

At present, we have had only one firm proposal shown to us. This was from the Industrial Heating and Piping Company of Reading, Mass. The name of their unit is the Combustall Waste Incinerator, Model 1200, and is capable of burning 1200 pounds of waste materials per hour, in each hour of operation, which is sufficient for taking care of all solid waste materials in our Town, summer and winter. This model has passed all State requirements for proper controlled incineration.

The following figures represent the estimated costs of purchasing and erecting such an incinerator:

Combustall Model 1200	$47,400.
Operation building	7,000.
Site and cement work	7,500.
Toilets, well, extra steel	3,500.
Road work, erection, piping	4,600.
Total estimate	$70,000.

The proposed cost would be approximately $11,200. per year on a ten year note.

The Committee strongly feels that the above proposal should be given the endorsement of the Town, and that the Town should proceed directly in purchasing and erecting an incinerator on our present dump site, comparable in specifications to the Combustall, Model 1200.

October 28, 1974

Board of Selectmen
Town of Northwood
Northwood, New Hampshire

Subject: Planning for recognition of the
American Revolution Bicentennial

This committee was formed to make plans and recommendations for the American Revolution Bicentennial and is submitting this report as directed in Article 18 of the Town Warrant. The Bicentennial celebration heads up in Washington but the active leaders seem to be upon the State level. Thus the New Hampshire American Revolution Bicentennial Commission has headquarters at 37 Pleasant Street, Concord and it offers assistance in planning or any other way possible.

The scope of Northwood's efforts was the first point of our discussion. It was unanimously agreed that the town has just enjoyed a very successful and extensive celebration of its own origin and that to conduct another pageant type affair would be anti-climatic. Such planning would probably find little support in the town.

Therefore it seemed appropriate to seek projects which individually would spark recognition of our local historic past and/or be of community value. Also where possible, these efforts should be joined with other local groups, such as the Historical Society, the Recreational or Conservation Commission, the School Dept., etc.

A wide variety of projects were discussed which might be related, in arriving at a conclusion. They included things such as:

a. Marking old houses
b. Tree planting
c. Tree preservation
d. Children's activities
e. Craft exhibitions - early trades
f. Cemetery listings

but we specifically selected for consideration the following list:

g. A small brochure of interesting points in Northwood relating to people and events of the Revolutionary period.

h. Locating and marking the "Mast Road" which is said to traverse the Narrows (in this connection, a film is being made at Durham about the felling and transportation of a "Mast Tree" which could be incorporated into a dedication program.
i. A plaque on the Town Parade commemorating the eight Revolutionary soldiers from Northwood.
j. School activities (such as an essay contest, or a play related to the period.)
k. A program or lecture, perhaps including films or slides on "New Hampshire and the American Revolution" (speakers from New Hampshire Bicentennial Commission or the New Hampshire Historical Society.)

A program of this nature seems most appropriate for our town and is offered to the Selectmen and the Town Meeting for their consideration.

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School district in the town of Northwood qualified to vote in district affairs:

You are hereby notified to meet at the Northwood School in said district on the 1st day of March 1975, at 8:00 o'clock in the afternoon, to act upon the following subjects:

1. To see if the District will raise and appropriate the sum of two hundred and fifty thousand dollars ($250,000.00) for the construction of an elementary school on School District owned land and authorize the issuance of serial notes or bonds upon the credit of the District for all or any portion of the sum so raised and appropriated; and to authorize the School Board to determine the terms and conditions upon which the notes shall be issued, including their sale, the time and place of payment of the principal and in accordance with the municipal finance act, N. H. Revised Laws, Chapter 33, and any amendments relating thereto. (Recommended by the Budget Committee).

2. To see if the District will raise and appropriate the sum of twelve thousand, one hundred sixty-eight dollars and forty-seven cents($12,168.47), to establish a public kindergarten in the Northwood School System. (Approved by the Budget Committee).

3. To see if the District will appropriate the sum of one hundred and eighty-seven dollars and fifty cents, ($187.50), for the payment of Child Benefit Services provided by the Concord Union School District to students who are residents of this school district and who attend Bishop Brady High School, and further authorize the School Board to apply for any grant from the State as provided under R.S.A. 198:22. (Approved by the Budget Committee)

4. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officers or agent of the district.

5. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

6. To choose agents and committees in relation to any subject embraced in this warrant.

7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district.

8. To see if the district wishes to change the time of its annual meeting to one o'clock in the afternoon instead of eight o'clock on the first Saturday of March. (By Request).

9. To see if the District will authorize the School Board of make application for and to receive, in the name of the District, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the U. S. Government and/or State agencies.

10. To see if the District will allow the School Board to place bid solicitations for custodial services for the Northwood Schools every three years, rather than annually, as is the present custom. The School Board will retain the power to provide the terms of the bid, to accept or reject any or all bids, and to release the successful bidder from further service to the District should the service prove to be unsatisfactory to the Board.

11. To transact any other business which may legally come before this meeting.

Given under our hands at said Northwood this 5th day of February 1975.

REPORT OF THE SUPERINTENDENT AND ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Northwood School District:

As of September 20, 1974, the Northwood Elementary School was organized as indicated below.

Teacher	Grade/Subject
Mrs. Albertina Hoogeveen	Level 1
Miss Barbara Fraser	Level 1
Mrs. Eva Pollard	Level 2
Miss Sheila Duffy	Level 3
Mrs. Carrie Bartlett	Level 4
Mr. David Hinman	Level 5
Miss Sheila Durkin	Level 6 - English
Mrs. Eleanor Loewer	Level 7
Mr. F. Philip Gross III	Level 8 - Arithmetic
Mrs. Bonita Hibbard	Level 9 - Special
Mr. John Bresnahan	Grades 6, 7, 8 - Science
Mr. Joseph Drouin	Grades 7, 8 - Social Studies
Mrs. Nancy Bonin	Grades 6, 7, 8 - English

Other Staff Members	Assignment
Mr. Thomas Conway	Principal
Mrs. Barbara Barry	Special Education
Mrs. Shirley Hooker	Teacher Aide - Library
Mrs. Arlene F. Bassett	Teacher Aide
Mr. Aldric Forest	Music - Part time
Mrs. Carline Kallgren	Nurse - Part time
Mrs. Eleanor Byrne	Art - Part time
Mrs. Mary F. Germann	Special Education - Part time *
Mrs. Ruth Hubner	Secretary
Mrs. Ann Grabowski	Learning Disabilities #
Mrs. Margaret Demers	Speech Clinician #
Mr. George Pease	Custodian
Mrs. Marion Lovely	Custodian
Mrs. Grace Parsons	Lunch Manager
Mrs. Sue Pease, Mrs. Kathleen Bernier	Cafeteria Workers

*Funded by State Agency for Handicapped
#Funded as part of Joint Project under Title I for Barrington, Northwood, Nottingham and Strafford.

The enrollment by grades in the Northwood Elementary School on September 20, 1974 was

Grade	1	2	3	4	5	6	7	8	Total
Enrollment	36	57	31	30	48	33	36	54	325

Northwood pupils attending secondary schools at District expense were distributed as is indicated in the chart below.

School Attended	9	10	11	12	Total	Tuition Rate
Oyster River High School		1			1	$1,244.00
Coe-Brown Northwood Academy	24	28	29	17	98	1,050.00
Dover High School	3	1			4	1,030.00
Spaulding High School		1			1	774.53
Raymond High School	1	1			2	991.46
Dover AREA Vocational High		1	1	1	3	1,030.00
Pittsfield High School			1		1	807.00
State Average						925.00 *
Totals	28	33	31	18	110	

*Until this year, the District was responsible for the state average tuition, so called. A new law passed last year makes the District liable for the entire tuition bill for students attending public high schools and approved public academies.

There are also two pupils being educated in other Districts as a result of handicaps. One is at Pittsfield and one is at the Amoskeag Center in Manchester.

The School District has made a good deal of progress in staffing the school and in providing a program for the children of the Northwood School District. However, the problem which confronts the District at the present time is that of additional space. Though good programs have been instituted, there is not adequate housing for them. The benefits which the children would receive from these programs are diminished, perhaps far more than they should be. In today's difficult times, the children deserve the best start in life possible. A good education is the best way to give pupils that start. The District has been willing to spend money to employ good teachers, and to institute good programs for all the children. However, without adequate space for the programs, it becomes wasteful. One just cannot cram ten gallons of a product into an eight gallon tank. The District is required to employ teachers and support people and this cost is there, even though the space is not. It is unwise to provide personnel without the facilities for their work. Yet,

their work is required either by law or by good educational practice. One does not ordinarily invest in a service unless one gets full value for one's money. Can the tax payers of Northwood get full value for the taxes they pay if the service cannot be properly performed due to lack of space?

There has been a building committee hard at work in the District. The recommendation for additional space was described and the reasons for it indicated very well at a District Meeting. It is understood that an article asking for additional space will be presented. It is the strong recommendation of the Superintendent that the space be provided as a long term investment of the District. The children of Northwood need and deserve as much support as the District will provide.

Respectfully submitted,

CHARLES H. MORGAN
Superintendent

FRANKLIN E. BLACK
Assistant Superintendent

PRINCIPAL'S REPORT

To the Northwood School Board and the Citizens of Northwood:

In the past year at Northwood Elementary School, we have tried to refine our Ungraded Math and Reading programs. We have tried to accomplish this through a team approach with teachers and administration constantly charting the progress of the youngsters. We have tried to make sure that students are at the proper level of instruction at all times.

One of the areas that seems to be confusing to some of our parents is students being assigned to levels instead of grades. The reason for using this system is to insure that students are always having a successful experience in school. In this system, we try to move youngsters ahead one level even though they have not completed the total grade requirement. We have what we call "transitional" levels which are set up to handle students who have had some difficulty at a previous level. Many students in the primary grades move at varying speeds so that we feel that this system will eliminate the feeling of failure. Many "transitional" students will catch up with their regular group before they reach the upper levels of instruction.

The other part of the ungraded program allows us to move students in the math and reading programs. Students are placed at the level of instruction that they are capable of handling. We try to avoid having grades on our text books so that students are only aware of the material that is presented and not the grade level. Our students seem to accept this program, and we find that they do not become discipline problems and make greater progress when they are not frustrated by the fact that they are unable to achieve in their subject areas.

The staff at the school remained the same as in 1973-74, with the exception of one additional teacher. Miss Barbara Barry is in charge of our Learning Center and works with students who have learning difficulties. Through this Learning Center and the continuation of our Learning Disabilities Program, all of our students are now attending school in their home-town instead of having to be tuitioned out to other districts.

The enrollment has fluctuated between 320 and 330 pupils during the school year. The major problem we have is in the distribution of students. Next year, the primary grades will have between 130 and 150 pupils. This means that almost half of our enrollment is in the first three grades. The pupil-teacher ratio will be very high and could create problems because these years are the most important part of a youngster's education.

The graduating class for 1975 will be in the vicinity of 53 pupils. This is by far the largest group we have ever graduated from our school.

We have continued to provide extra-curricular activities for all of our students because we feel that these programs are an integral part of any youngster's educational development.

In closing, may I again thank the citizens of Northwood for their continued support of education in this elementary school and the cooperation they have given me through the years. A special thank you to the Supervisory Union personnel and our Superintendent, Mr. Morgan, for their help and guidance. Finally, I wish to thank the Northwood School Board members who have worked diligently to supply a quality education for all of the youngsters of the Town of Northwood.

Respectfully submitted

Thomas Conway

SCHOOL HEALTH REPORT

Northwood, N.H.

The health program for the year 1973-1974 was carried out in the usual manner with an annual physical inspection of each student by the nurse. When defects were noted the appropriate referral and followup were made.

The students received the benefit of preventative dental care through several worthwhile programs. Five students received dental care through Northwood Matching Funds. This money was made available through the generosity of the local P.T.A. and the Harvey Lake Woman's Club. Dr. Steven Ekstrom, Concord, was the participating dentist. One Hundred sixty-eight children responded to a cleaning and fluoride clinic held during the fall months. Mrs. Alice Burr was the participating hygienist. Through a program sponsored and supported by the N.H. Bureau of Dental Public Health, the students in Grade 4 participated in a daily dry brushing program. This proved to be very popular and a great improvement in the cleanliness of the students' teeth was noted by the nurse.

The Heaf Test was administered to 20 faculty members. Three immunization clinics were held in the spring. These were sponsored by the Rural Health Council with the generous help of volunteers from town. A total of 499 doses of vaccine were given to the students.

Twenty-eight students were registered for school entry at a pre-school clinic in April. First aid was offered to approximately 156 students, 6 home visits were made, and 14 ill students were transported home. Four students were transported to clinics, 2 to the Portsmouth Rehabilitation Center, one to the eye doctor and nine to the dentist.

Considerable time was spent during the fall months arranging placement for a student with a learning disability. Several schools in the area were visited including numerous conferences with the N.H. Department of Special Education.

During the school year weekly classroom visits were made to levels 1, 2, and 3. Health related classroom activities and lessons were planned. The Sixth Grade class completed the Red Cross Basic First Aid Course. In December, Mrs. Marie Erickson, V.D. Coordinator, spoke to the seventh and eighth grade students. A movie was shown followed by questions and answers.

Films on the following subjects were shown to the students in conjunction with the health education program for the year: bicycle safety, nutrition, smoking, self-awareness, personal health and dental health.

I would like to express my thanks to the Superintendent, School Board members, teachers and parents for their cooperation and support during the past year.

Respectfully submitted,

Carline J. Kallgren
School Nurse

1974 SCHOOL COMMITTEE REPORT

At the 1974 School District Meeting, the School Board was authorized to appoint a committee of eight to study the future needs of the Northwood Elementary School and to make recommendations with the results of their findings. The committee was also instructed to develop cost figures associated with the plan. The Board appointed the following members, listed alphabetically:

Doris Bennett, Secretary
True Chesley
Warren Guptill
Charles Johnson, Chairman
Marion Knox
Robert Low
Grace Parsons
Ellis Ring
Robert Stout, School Board Representative.

After several meetings Ellis Ring found it necessary to resign.

The first step was to inspect the building to see how the school was utilizing the present space. We found that the principal had no office. The teachers had a very small work area for preparing for various classes. The work area doubled for a nurse's room. The nurse was later moved to the hall leading to the present library. The library was undersized for the number of students in the school, and was also being used sometimes for a classroom for elective subjects. A corner of the library was also used for one and sometimes two special teachers. One special teacher was moved to the storage closet across from the school office. The first grade classroom was being used by two teachers and a teacher's aide, teaching simultaneously.

The nurse's room in the original building had been converted into a classroom. The school gymnasium was used for a limited Physical Education program, a classroom, and band, and the stage was also used as a classroom. Students take their lunches back to their rooms at lunchtime, necessitating the transporting of hot lunch throughout the school -- involving spills and a cold lunch for many.

An urgent matter is that the present sewage system is inadequate. The maximum it was constructed for was 250 people. It is now serving 330 students, plus a staff of 20.

The Committee met with the following State and local officials to find out exactly what the State required for size of room, safety features, handicapped, and for the number of students in the Northwood School System: Gordon Tate, State Consultant of Administrative Services; John Economopoulos, Chairman of Curriculum Standards for the State; Dr. Cynthia Mowles, Early Childhood Education; Charles H. Morgan, Superintendent of Schools; Thomas Conway, Principal; and the Northwood School Board members.

The State Department of Education visited the school and wrote up an evaluation in September of this year. They found a need for space in all the primary levels. The following is a summary of their findings sent to us with a full report by John Economopoulos:

"SPACE NEEDS"

"1. Levels 1, 2, 3, 4, 5 (Primary School)
2. Levels 8, 10 (Upper School)
3. Health Room for Children and Nurse
4. Teachers' Room for Staff
5. Speech and Learning Disabilities Space
6. Additional Library Space for 330 Children."

The report further stated that the following should be added to the Northwood Elementary School Staff: part-time Physical Education, Music and Guidance.

We asked the staff of the school to evaluate their needs. We found the evaluation from each of the three groups to be almost identical.

The State of New Hampshire, Department of Education recommends that Kindergarten be incorporated in Public School Systems in 1975. The Department has a bill in the Legislature which will make this recommendation mandatory. The School Census of Fall 1974 shows 35 children in Northwood are Kindergarten age. 27 of these are attending the Northwood Cooperative Kindergarten - 8 children are at home. This percentage is in keeping with one given by Dr. Cynthia Mowles. Dr. Mowles gave a state-wide average of 1/3 of those eligible for Kindergarten are left out. Northwood Cooperative Kindergarten cannot accept more than 30 children, and remain within the State Laws regarding space, etc. Therefore, 5 of those eligible for Kindergarten would have to be left out, even if the parents had been able to send them. Under Public Kindergarten they would be automatically included.

There is a State Law now that requires us to educate all handicapped children from age 0 to 21. The State is now preparing programs for preschool handicapped, but already has programs for blind and deaf in effect. Because of this law, each town must provide space and learning tools for all its children.

With Kindergarten incorporated in the school system, all available testing equipment would be available to detect, before first grade level, any learning disability which might be present in all age 5 children. It is the Committee's recommendation that space also be provided for the incorporating of Kindergarten in the school system by September 1975.

Using the results of previous committee reports and considering the rising cost of fuel, transportation and personnel, the Committee considered also the possibility of a middle school, or a Junior High School. However, the requirements would be very costly in view of the present economical state of our town and country. Consideration was also given to the possibility of year-round school, double sessions, utilizing other buildings in town and the feasibility of waiting to see what the growth pattern indicates. None of these were satisfactory solutions. One thing that would answer the problems would be to use land already acquired by the School District in the field in back of the present school, which has a right-of-way off of Bow Street, and construct a permanent building.

If the Town of Northwood were to decide only to correct the present sewage problem, the cost would be approximately $35,000. to install and connect to the present school structures and eliminate the overuse of the present system. If the Town decided to correct the physical space needs at the same time, the cost of the sewage would be reduced by about $20,000.

Letters were sent out to four reputable companies in New Hampshire. Three of these made appointments with us. Three other companies contacted the Committee. We met with one of the latter. The R. C. Foss Company of Pittsfield showed interest in our needs, had previous experience in constructing learning institutions and gave us the most reasonable estimate. After touring several of the sites of construction by said company, the Committee agreed to work with the R. C. Foss Company to draw up preliminary plans and specifications to present to the Town. This presentation took place on November 22, 1974.

Rough plans were drawn up. Copies of the rough plans were circulated to the staff at the Elementary School, and several alterations were made. The proposed structure, 75 by 133 foot, six classroom structure, which would be built on the fairground site behind the present school, would be of conventional design utilizing insulated split-faced concrete masonry units for wall areas, a fabricated steel frame, bar joist supported roof with painted steel deck, 4 ply tar and gravel roof coating. Exterior areas are prefinished and maintenance free. The estimated cost of said building is $225,500., or $22.60 per square foot. The cost is based on 9975 square feet. Sewage, $15,000.; Additional Personnel, $15,000.; Janitorial Salary, $3,000.; Additional Equipment, $3,000.

This new building would be earmarked for the primary grades: two first grade rooms, two second grade rooms, one third grade room, and a kindergarten. All of the present structures would be utilized as well. If the population of Northwood were to decrease in the years that follow, the present modular units could be sold, leaving eventually only permanent buildings.

Full details of this report and minutes of the School Committee meetings have been turned over to the Northwood School Board.

Respectfully submitted,

Doris Bennett
Secretary

October 17	Teachers' Convention
November 11	Veterans' Day
November 27-28	Thanksgiving Recess
February 16	Washington's Birthday Observance (see Winter Vacation)
April 26	Fast Day (see Spring Vacation)
May 31	Memorial Day

Vacations

December 22 to January 2	Christmas Vacation
February 16 to February 20	Winter Vacation
April 26 to April 30	Spring Vacation

Notes

The above calendar provides for 185 days of school. This allows either five full days for staff development, or 10 half days for staff development purposes. Days missed due to storms, etc., would need to be recovered either during vacation periods, or by extending the number of sessions. If the Staff Development program is to be effective, it needs to be operated as a part of the contracted school year.

VITAL

STATISTICS

For the Year 1974

Births Recorded in Town of Northwood, N. H. for Year Ending December 31, 1974
